

AGING, DEPARTMENT ON[17]

Adopted and Filed

Pursuant to the authority of Iowa Code sections 231.14, 231.23 and 17A.3, the Department on Aging hereby amends Chapter 1, “Introduction, Abbreviations and Definitions,” Iowa Administrative Code.

These amendments change the chapter in the following particulars:

1. The amendments remove references to Iowa Aging Program Instructions (IAPI). IAPIs have traditionally been used by the Department to provide guidance to Area Agencies on Aging. IAPIs are identified in Chapter 1 as a form of federal or state regulation. These amendments remove references to IAPIs to ensure that IAPIs are not used as or confused with federal or state regulation.

2. The amendments work towards the creation of a single and comprehensive chapter of definitions applicable to all chapters within the Department’s rules. Definitions from 17—Chapter 8 are incorporated into Chapter 1.

3. The amendments alter the definition of “area plan” to align with the Older Americans Act and current practice.

Notice of Intended Action was published in the Iowa Administrative Bulletin on April 16, 2014, as **ARC 1428C**. No public comment was received. No changes were made to the amendments published under Notice.

After analysis and review of this rule making, no adverse impact on jobs has been found.

These amendments are intended to implement Iowa Code chapter 231.
